

# CONNOR'S CLIMB

## 2020 5K & Family Walk

Mental health is just as important as physical health.  
Let's encourage our community to look after both!

## SPONSORSHIP OPPORTUNITIES

Please help support the life changing programs that  
Connor's Climb Foundation provides.

# CONNOR'S CLIMB 2020 5K & Family Walk

In the aftermath of a suicide, family, friends and communities respond in different ways. Connor Ball died by suicide in October 2011. Connor's family and friends decided that no one else should experience such a profound and life altering loss. The Connor's Climb Foundation (CCF) is the result of their love of Connor and the commitment to end youth suicide.

Suicide is the second leading cause of death for young people between the ages of 10 and 24. The good news – suicide is preventable.

May 9, 2020 is the eighth annual Connor's Climb Foundation 5K and Family Walk in Exeter, NH. This is an uplifting, family focused event that will draw over 700 participants, volunteers and community members! Please help build a greater community of support for this important cause by becoming a sponsor.

Connor's Climb Foundation provides suicide prevention education to New Hampshire youth, educators and the community – equipping them with life saving resources.

Thank you for your consideration.

*With gratitude,*

Amy Mitchell – Race Director  
Candice Porter – Executive Director
